### MESSAGE FROM THE GREAT WHITE BROTHERHOOD

April 7th, 2007

I am Michael Sun Bear, and have been asked by the following Ascended Masters and Chiefs to deliver this message from the Great White Brotherhood. This communication must reach the decision-makers of the world and I am asking you to help me achieve their goal. It is critical that this message reaches all tribal nations as well as all levels of government globally.

Those of you in mass media, please print this message in your publications; those of you who know people in positions to get this message out please send it to them.

It is time for humanity to stand side by side, rather than in opposition. The future of our planet depends on it.

Feedback to [michaelsunbear@yahoo.com](mailto:michaelsunbear@yahoo.com) is most welcome.

Much Peace & Light,

Michael Sun Bear, Intuitive & Peace Maker

Descendant of the Northeastern Tribes

Greetings,

We are St.Germain, Ambassador to the Galactic Federation of Light, and Archangel Michael, Prince of the Archangels and the Angelic Hosts, Ascended Tribal Chiefs White Eagle and Sitting Bull. We have been chosen to address you on behalf of the entire Sirian High Council of the Great White Brotherhood under the Prime Creator.

We have come to impart a critical message to you regarding the calculated diabolical planned events of your current administration. **KNOW THAT YOUR PARTICIPATION DOES NOT GO UNNOTICED.** We are the Warriors of the Light and are acutely aware of your devious plans to undermine all Spiritual Absolute Truths, as we sit among you in your private meetings and listen as you scheme strategies for lustful personal gain of power and money. We have stood by and watched greed consume you as you destroy your nations. We will stand idly by no longer.

Many of you may choose to continue moving forward on these misguided paths, which are meshed with the dark lords. You are the ones that this stern warning from the Sirian High Council is addressing. Heed it immediately or meet dire consequences. Dismantle the government agencies and programs you have allowed to exist that are geared to suppress, control and annihilate the populace. Ignore the warning and retribution is imminent.

Please let us reiterate. We know there are certain events due to unfold shortly by institutions of government that will appear to the world once again to be of so-called terrorism. This stern warning is being given for those of you who continue to walk in sheep's clothing, but secretly work for the diabolical forces of the illuminati. **YOU WILL BE HELD ACCOUNTABLE FOR YOUR ACTIONS BY THE HIGH COUNCIL OF THE LIGHT.**

Let us be more specific of what we know of your activities: the impending release of the Avian Flu vaccine as well as the unmarked planes that carry and dispense this flu virus through chemtrails; cover ups of the government-orchestrated events of 9/11; government misuse of the most advanced Tesla technologies; weather manipulation via the HAARP system; cloned crystals, secretive covert projects as well as a host of secret agendas; violations of Nuclear Arms Treaties; space exploration hoaxes; abductions; rituals and human sacrifices like that of Jon-Benet Ramsey; Russia's overt and continued slaughter of her own people; billions of dollars, including most of the monies sent from the hearts of people globally due to the 9/11 attacks, as well as the monies siphoned (off) by the Federal Reserve System and the Central Bank, that are being illegally held in European banks; illegal practices that have corrupted the Papacy. The list is endless.

We, the Sirian High Council of the Great White Brotherhood, affirm to you that justice is rapidly forthcoming and the illuminati's corrupt stronghold will be removed from this Earth in a instant swoop if the following demands are not adhered to immediately:

George Bush senior is to notify drug companies immediately to destroy all the Avian Flu vaccines that have been produced thus far. He is to see that not one unmarked plane spreads this man-made virus.

Prince Phillip is to see that Prince Harry remains in England and no harm is to come to him. He is not to enter the War for which he is being trained.

Russian President Vladimir Putin is to see that no other lives are taken in Russia.

Humanitarian projects that misappropriate funds with no checks or balances must become accountable for their disbursements.

Corruption of Rome's Papacy is to come to an immediate halt.

All chemical companies that partake in programs designed specifically to bring harm upon humanity are to cease at once.

President Bush is to immediately halt all nuclear lobbying with foreign countries and remove all existing nuclear programs. He is to release the harbored free-energy technologies instead.

Global governments are to immediately halt blank-slate technology projects.

President Bush is to authorize the hearing of Sibel Edmond's case.

All warnings from the Sirian High Council are directed to these core illuminati members: George Bush senior, President George W. Bush, Bill and Hillary Clinton, Dick Cheney, Alan Greenspan, John Ashcroft, Donald Rumsfeld, Vladimir Putin, Queen Elizabeth II, Tony Blair, Prince Charles, Prince Phillip, the House of Rothschild, David Rockefeller, Felipe Caldern, and Rupert Murdoch. Know that you are all on notice, and are being monitored by the Galactic Federation of the Light, who sit among you undetected. You are to cease and desist immediately or expect grave discipline.

These united states of America was founded upon Spiritual Truths brought forth by our forefathers. Their intent in the original Constitution was for the People to have Free Will as well as Freedom. Planet Earth is a free-will district, along with the entire Universe, and as such there is a respect and commitment to no violation of life. The honoring of all life-forms is paramount. Now time has arrived at a crossroad where the dark lords and the Warriors of the Light oppose one another. You have been forewarned - if you choose to continue to partake in your current governments heinous activities, you will not succeed.

St. Germain

Archangel Michael
