The  
Beginning of Intrigue

H:  
Helen Engel calling Euclid.

Euclid: Come in Helen Engel.

H:  
Please determine whether Enki is available to communicate with me.

Euclid:  
One moment please.

(pause)

Unknown:  
All the world is a stage, and we are the players. Good morning to you.

H:  
You are Enki, and I thank you for answering my call. Are you aware of my thoughts regarding the importance of determining how and when Creator admonished the Elohim Humans to mend their ways?

E:  
When I make it my intent to observe your thought patterns, I can observe them. Please summarize.

H: It  
is not clear from the biblical records and from the Sumerian and Egyptian records, what part the Creator played in the day to day life of the

creator gods (Elohim Humans) and in the humans created by the Elohim.

E:  
What you state is profound. Who is there to set the record straight?

H: Is  
it important that the record be set straight?

E: Is  
it important?

H:  
Why do you spend time with me?

E:  
This is something that you may wish to ask Creator.

H:  
Then I shall ask Creator. Is this the end of our interlude?

E:  
Only that I wish you success.

H:  
Thank you.
