Two Messages from Methusaleh

thru Helen Engel

I heard a click just before I hit  
Send.

H: Who calls? Welcome, please introduce  
yourself.

Unknown: Whenever there is joy in heaven and  
on Earth, simultaneously, the skies light up and the angel chorus rings  
out. This is one of those times. The work that this little band is  
doing is greatly appreciated. We are the Collective. We shall  
continue to guide you, inform you about events, and converse with you over the  
coming year. While the mass First Contact may not occur in the first half  
of the year, there is a possibility that private visitations to  
Amiable Contact members can be arranged.

I will be speaking with Zlanthra as soon as she is  
over her vacation. You are loved.

I am Methusaleh.

ONE MORE VERY LOUD CLICK

H: Welcome, who calls?

Unknown: Please advise your fellow

light workers that we are most anxious to speak telepathically with them. Because our frequencies are partially blended, all that is needed is intent, and they can connect with us. I am Methusaleh. Peace and joy to all .
